DEWALT DW130 1/2-Inch Heavy Duty Reversing 7.0 Amp Spade Handle Drill

Works great..
Perfect working condition.
I bought it brand new less than 2 years ago for almost \$250

\$75 or best offer

Call or text

Description

The 1/2-inch DW130 drill is built for rugged applications where high torque is required, such as mud mixing. The side and rear handles are adjustable so you can move them to ensure proper leverage. The spade handle design is ideal for drilling applications that require downward pressure. Includes chuck key and holder, side handle, and ball handle.

Features

AC/DC, forward/reverse rocker switch ideal for backing out jammed bits or mixing drywall mud
