Custom High End EXTREME Gaming PC Setup With Tons of Extras \$4000 OBO - \$4000

<http://portland.craigslist.org/clc/sys/html>

This computer is a complete waste of money those 770 aren't even 4K ready and the owner had to write a novel to up sell that crap. Hand me 4K and I can build you a PC that is significantly better and you will still have 1800 bucks leftover in your pocket to go buy a small car with after.

END OF
