I am looking for a fit attractive couple to pose for a fun and exciting erotic series. The photo shoot will be editorial in nature and will tell a story of a couples passion to be with each other. You will need to be able to convey a variety of emotions during the shoot.

The photos will be displayed in my online portfolio. Couples will be asked to wear mask to hide their identities. The shoot is erotic in nature so you will have to be comfortable with some nudity.

The shoots will take place in an upscale hotel in Center City. There are two days available Friday and Sat evening Jan 30 & 31.

Compensation will be \$50 plus 100 edited photos.

If you are interested please attach 2-3 photos of you and your signifiant other. Place " I wanna shoot" in the title of your email. I am only looking to shoot heterosexual female/male couples at this time.

The photo attached are samples of my work.
