Looking to hire day labor to cut up and remove carpet and sand walls in condo unit. I will pay cash. Start immediately. Reply with name and phone number and I will call you.

Looking for someone able to work for a few hours on Friday-Sunday evenings, and possibly a bit on other days. Most time will be spent between 5pm and 7am, on property.

Pay would be flat fee per property, depending on volume of cleaning.

Must have your own transportation, be able to do manual labor and work independently.
