

automatic pet water dish (West Fargo)

Location **North Dakota**
<https://www.genclassifieds.com/x-260982-z>

water-fountain style water dish. plug it in and it circulates the water for you. easy to clean. my one cat loved drinking out of the sink if the water was running so I bought this for him. he's no longer with me so I don't need it. bought it at Pet Smart bout 2 yrs ago. works great. \$20
