ISO hedgehog (Fargo)

Location   **North Dakota**
https://www.genclassifieds.com/x-260993-z

Hello, I had a hedgehog that recently passed away. She was my friends before mine so im not really sure where or from whom she got Chloe. Im looking for a hedgehog, preferably a baby. I have 2 years of experience caring for my old hedgie. Im located in Fargo and im willing to drive a couple hours to get one. If anyone knows a breeder or is rehoming one please contact me and let me know :)!
