

Can you help me find a bookkeeper (Oklahoma City)

Location

Oklahoma

<https://www.genclassifieds.com/x-261063-z>

I'm looking for a professional bookkeeper who is experienced and reliable. I will have a series of clients call him for services. I am hoping a nice person would recommend someone to me. He or she charges maybe around \$35 per hour.

Please email me back, or call me at if you can help me find the bookkeeper I'm looking for in this area. Thank you so very much. My name is Tony.
