Location **Oregon** https://www.genclassifieds.com/x-261077-z

Hello there!

My name is Ashley. I am a teacher looking for part-time work. I have been teaching for nine years. I am currently pursuing my Master's in Special Education and am in the midst of student teaching. I am not able to substitute in the district as much as I would like due to my student teaching and am looking for some extra work on the side.

I also do private tutoring, certified in Kindergarten through Eighth grade, and have been tutoring for three years.

I have been a nanny for families in the past. I have been working with children for over 15 years.

I am interested in tutoring and occassional babysitting.

I can provide a resume and references.

E-mail for rates and more information.

Thank you,

Ashley
