Hey we are WHETSELL ADAMS. Jazz duo with piano and vocal. Been a group for over 2 years and wanting to add bass player and drummer this year. We have done multiple gigs in portland and in wineries and special events in oregon. We play old vintage jazz and torch songs. Must understand the feel for this music and enjoy it and have a passion to play it. We really are looking for a musician who isn't currently playing but wants to join a great group and make some fun music together. We are fun and not egomaniacs or stuffy or stuck up. We just love the music and love to share it with others. Please leave your ego at the door and be humble and fun. Must be able to commit to weekly practice and gigs mostly in the evening some weekends or possibly in the week. We do work with each others schedules and know that everyone works, has family and has a life. If this sounds like you then we would love to hear from you! Getting ready for the new year of music. Looking forward to hearing from you.
