I'm a photographer based in Philadelphia and I'm offering my services at a discounted rate!

I normally charge \$120/hr but I'm offering a discounted rate of \$100/hr.

I use professional grade equipment and I've provided a list below if you are curious

Camera: Nikon D800
Lenses: 50mm, 24-70mm, 70-300mm, and a 105mm macro
Flash unit: SB-910

I've done everything from birthday parties to automotive photography.

If you need a photographer, check out my website: rishidutt.com. It has my most recent work and pricing.

IMPORTANT NOTE: Be sure to put "RCS0115" in the subject line of the email if you want to receive the discounted rate.
