## A Little Bit About Me:

My name is Julian, I'm 24 years old, and I've been teaching in the Philly area for over 4 years. I graduated from Temple University in 2013 with a Bachelor's degree in Music Composition and Piano. In addition to my formal education, I've also performed in rock and cover bands in the area. I teach many different styles of music and I'm dedicated to finding a teaching method and lesson plan that suits you or your child's musical needs and ambitions.

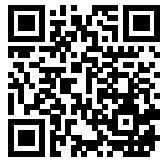

If you're interested in lessons or have questions of any kind, just shoot me an e-mail and then we can talk on the phone to arrange a first lesson. Looking forward to hearing from you!
