We have taken in this sweet girl since October she's so scared we aren't sure if she was abused or what but she's so sweet,friendly,scared sometimes and very calm uses pee pads if kept inside. She's around 3, her previous owners claimed she was an oldee English bulldog. We just aren't financially stable to take her to a vet but can take care of her no problem. We would like to rehome her for 150\$ slightly negotiable. We paid 250\$ for her. Questions or interested please contact ASAP thank you. We would like to get rid of her and put with a good friendly home who understands these types of situations, thank you.
