I have a 1 1/2 year old female pit that needs to be re-homed. She's great with children and other dogs. She is spayed up to date on all shots, house trained, and leash trained. She will come with her harness and leash, food and food bowls. Her crate and anything else that belongs to her. She is a great dog just with our busy schedules we don't have the time she requires and deserves. If you are interested please txt me at
