J. Mark Edwards, Defense Attorney, is available to help with your DUI or other criminal case. Don't hire a billboard, hire experience. I can tell you right away if there is a better deal in your DUI case. I have prosecuted hundreds of DUIs and defended too. Don't lose your driver's license because you don't know how to fight to keep it. Don't have an interlock installed if you don't have to. Get a better deal. Hire the right attorney. I can help you get back on track faster, or if you have the right evidence, get a dismissal. See my website at www.jmelawyer.com-on my blog I have several success stories there.
