DOG WALKER AND PET CARE: Mature woman in excellent health who has a graduate degree in Social Work in Gerontology (great for working with older pets!). Recently left the Dept of Veterans Affairs Medical Center in SLC. I've had numerous dogs and cats during my life and have taken in strays for care. While growing up on a homestead in Maine I helped my family care for rabbits, goats, dogs, cats, and chickens. During my years as a graduate student I cared for my neighbors' dogs. I am honest, punctual, kind, caring, responsible, detail-oriented, sensitive, hardworking and intelligent. As a member of the Franciscan Ecumenical Order, I have a very deep and abiding love for all living creatures. I will brush, massage, feed, water, brush teeth, clip nails, scoop droppings, and just sit with your pets and love them as much as you do. Limited area between the Avenues and 3500 South and 2100 East and 600 East. Will do overnight stays with established clients. Lana Lorenzen, (please call between 8:00 am and 7:00 pm)

BIOGRAPHY
Born: Westbrook, Maine
Undergraduate Work: University of California at Berkeley
Graduate Work: University of Utah, School of Social Work, Gerontology
Additional Course Work: Veterinarian Assistance; Animal Assisted Therapy
Employment: Federal government agencies, state agencies (California), state educational system (Utah)

Animal and Educational Experiences:
o Worked with chickens, rabbits, goats, cats, and dogs on a homestead in rural Maine
o Employment in a veterinarian's office in Salt Lake City, UT (2 years)
o Dog care and walking while a graduate student
o An understanding of the diseases that affect older humans that are pertinent to senior animals
o A lifetime of caring for dogs and cats, both custodially and in foster care
o On-line course work in Veterinarian Assistance (with eight volumes of books regarding the subject on which I keep up-to-date) and Animal Assisted Therapy

o Access to references including but not limited to: Black's Veterinarian Dictionary; The Complete Cat Care Book; The Dog Massage Manual; Clicker Training, and the Atlas of Small Animal Wound Management and Recovery. A working knowledge of the natural and organic cat and dog, and a layperson's knowledge of grooming and massage.
o Extensive knowledge of city, state and federal mandates governing emergencies such as fires and earthquakes, security, patient/client privacy, facility hygiene, and other critical information as an employee of the Department of Veterans Affairs Medical Center. Knowledge of various laws while an employee of the Department of Veterans Affairs Regional Office District Counsel as a legal assistant.
