- \* Can slowly lower heavy limbs and logs without damaging your landscaping or making holes in your yard
- \* Specialize in climbing trees inaccessible by vehicles without bringing heavy machinery into your yard
- \* Always insist on receiving general liability insurance certificates directly from the insurance agent either by fax or email.

Expert Tree Service with over 20 years experience in Tree Removal, Trimming, and Stump Removal. We

can handle any size tree and remove it in a timely fashion, cheaply and without having to worry about damage to property. Our working area has no power working in small, tight yards or back alleys and on one-lanes. We do this through out the year and can cut and remove almost any tree, stump or shrub to your exact specifications.
