Hi Models,

I am a cosmetology student at Gary Manuel Aveda Institute, in Seattle, WA, on Capitol Hill.

I am seeking models for Thursday, February 5th, from 8:30 AM until 1 PM.

I would like to give a triangular graduated cut, 1" minimum must be cut. All textures are welcome! My instructor will be on hand to ensure a great cut!

This is a complementary service. Hand, shoulder, head massage, and shampoo included. Blow dry service is included, as well. Our school is beautiful and in a convenient location.

I will take photos before and after!

To apply to model please send a photo of your self showing your head of hair!

I look forward to your response!

Thanks,
