

Registered Scottish Highland Bred Cow (1800, USD)

Location **Wyoming**
<https://www.genclassifieds.com/x-261361-z>

Landelley's Hilda, easy calving, good mom, has produced a 2 yr in a row Reserve Grand Champion Bull, and a Grand Champion Bull Calf, in the NWSS. She is presently bred to a registered highland solid built black bull. She produces very nice calves and would be a great addition to a highland herd. \$1800
