FELICITY (A24790697) is a tan and white terrier pit mix who weighs 36 pounds. She is 1-2 years old and came into ACCT as a postpartum stray. She is a sweet girl - eager to pay attention and sit for treats. She also loves to run around. Our vets noticed swollen mammary glands as well as severe hair loss and scabs on her body. She is slightly underweight but we are hoping with some TLC she will fill right out. Please consider rescuing this girl and helping her get the life she deserves.

This is just one of the many wonderful dogs in urgent need of adoption, foster care, or rescue at Philadelphia's animal control shelter, ACCT. You can stop down and meet them, and after filling out an application with shelter staff, interact with them 365 days a year at the shelter- 111 W. Hunting Park Avenue in Philadelphia. Please check www.acctphilly.org for hours. Come in and take home a forever friend today! To check the status of an animal, call or send us a!
