Laya (A24810909) a 1-2 year old unaltered pale Brindle Pit mix, came in as a stray. This calm, sensitive sweetie is underweight and has had some vomiting and diarrhea in her kennel, but has tested negative for parvo. Despite not feeling well, this sweetheart was friendly as can be and earnestly solicited attention. She is wiggly and will sit for a tasty treat. Due to her condition, she urgently needs to leave the shelter for some TLC. Please come adopt, foster, or rescue this pretty girl today!

This is just one of the many wonderful dogs in urgent need of adoption, foster care, or rescue at Philadelphia's animal control shelter, ACCT. You can stop down and meet them, and after filling out an application with shelter staff, interact with them 365 days a year at the shelter- 111 W. Hunting Park Avenue in Philadelphia. Please check www.acctphilly.org for hours.

Come in and take home a forever friend today! To check the status of an animal, call or send us a!
