Please gives this Big Boy (A24810890) a home before it's too late! This lovely handsome man with an all gray coat came in as a stray, and so far we haven't been able to contact his owner so he's here at ACCT. At a rock solid 122 pounds and already altered, Big Boy is as healthy as can be for a bullmastiff of four years except for a teeny bit of hair loss on his back. When he first came here though, he was not the happiest camper, growling at some of the staff, but after being here for a couple days, Big Boy showed us who he really is. We opened up his cage, and he politely waited for us to leash him and take him out. A super gentle and respectful walker, Big Boy was very interested in his surroundings, sniffing around. He let us pet him and walk him around with relative ease considering how this guy could pull us anywhere if he wanted. From our meet with him, it's obvious this man was scared and nervous coming in to ACCT, and now that's he's settled down a bit, Big Boy's sweet persona is finally coming through! This man's over his adjustment and is healthy, so come in and give this gentle giant a chance!

This is just one of the many wonderful dogs in urgent need of adoption, foster care, or rescue at Philadelphia's animal control shelter, ACCT. You can stop down and meet them, and after filling out an application with shelter staff, interact with them 365 days a year at the shelter- 111 W. Hunting Park Avenue in Philadelphia. Please check www.acctphilly.org for hours.

Come in and take home a forever friend today! To check the status of an animal, call or send us a!
