

## **Looking for One**

Location **Vermont** https://www.genclassifieds.com/x-261496-z

I am interested in renting a large warehouse or other large open space (heated barn, large basement, underused event space, etc.) for a one-day live music event. Only needs to be large enough to fit about 100 people, but I would be interested in larger if available. I am very flexible, so if you have a space that you are unsure about, get in contact.

The budget is tight, but I would be able to offer a reasonable rental.
