I am looking to hire two models, 18-25, for a 420 bikini catalog shoot this weekend. Please send photo of your face and photo of your body in a bikini. This shoot pays \$350 for the day. Female models only. This is a legit paying gig that could lead to more work with myself and/or the company doing the catalog. All body types will be considered so we encourage everyone to respond. Thanks and hope to hear from you.
