I recently got laid off. I am 24, married with a 7 year old son. I have my own equipment. I can also shampoo carpets with a Kirby. If you prefer a certain cleaning product you will need to provide or that can be put onto the price. Price depends on size so we can discuss that. I am extremely good at organizing kitchens, closets, kids rooms, garages etc. I can also do yard cleaning. I would rather not put my personal number on here so email me to get my contact information if you are seriously interested. On the first visit i will have my husband come with me being i do not trust.
