My name is Azalea, just like the flower. I'm from the east coast "Philadelphia". In Philadelphia all the hair styles is weaving or braiding, you rarely see any one wearing their natural hair. In Philadelphia if you don't have your hair weaved or braided, its "considered" as not having your hair done. I've been weaving and braiding since I was 12 years old. I've been braiding and weaving professionally for 15 years. With over 21 year's experience in the braiding and weaving industry. It's my passion to make women feel and look good. Not only do I know how to weave and braid, but I'm also creative about it. Its art to me. You don't have to look any further for a weaver or braider cause I promise once your hair is done, you'll love your

new look and won't want to go anywhere else. It makes me feel good when you feel good. Through years of experience, I can help you with your face, hair, and what you want to fit you.

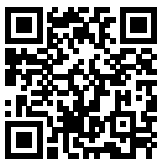

Look no further. Braiding/Weave it to fit your desires. Just ask me anything but your hair weaving hair. I provide quality services including a friendly atmosphere. So come see Azalea. Azalea will provide you with service & affordable prices. With over 21 years of experience in the weaving industry, Azalea understand the needs of each individual and strives to make your experience pleasurable and comfortable.
