I'm selling this one owner car for a friend of mine who recently purchased a new car. she is an older lady who never drove much so the car has low miles is almost rust free just a little spot on drivers side will well. there is nothing wrong with this car and the dealer appraisal was \$4800 obo you won't find a Neon for the price with the miles this car has great on gas clean well taking care of car and would make a good first car for your teenager or college student.

Shes a one owner car with 41K miles automatic 4 new snow's inspected
interior is like new
one little spot of rust
new brakes
new alternator & belt
serviced regularly
automatic sunroof
remote car starter
new exhaust
one little spot of rust
