Did you know Over 50,000 pets per year lose their lives in house fires? Even when a smoke alarm sounds by the time help arrives it is usually to late! Don't let your best friend become a victim.

For about a dollar a day, you can have the peace of mind that if the unthinkable should occur your pets will be safe.

You see I am a Dog lover that works for a Alarm Monitoring company and I spoke with the MARKETING department and for a limited time, they are allowing me to test market Fire Protection in our FREE SYSTEM available for Pet owners in our RHODE ISLAND MARKET. Don't miss out!!!!

You will receive over \$1700 worth of equipment and we will PAY FOR IT ALL as part of this special MARKETING promotion.

Please call me anytime and set up your no obligation consultation. I look forward to meeting you and your Four-Legged friends!!
