

Reliable and affordable babysitter (Providence)

Location Rhode Island https://www.genclassifieds.com/x-261700-z

Hi, my name is Madden! I am from CT, but I currently reside in Providence. I am a senior at Providence College. I have always loved kids, and I have a lot of experience babysitting! I love spending time with kids because their imaginations are refreshing and truly cease to amaze me. I love doing different activities with kids, including getting out of the house. I can appeal to different interests, whether your children like arts and crafts, playing outside, playing games, etc.

I was certified by the Red Cross babysitter training course. I have babysat for dozens of local families, and continue to do so when I am home from college on breaks. For a four-year period, prior to getting my summer restaurant job, I would nanny for my aunt's children for the entire summer. My responsibilities included cooking, cleaning, and managing the children's busy schedules. I have babysat for long periods and have done overnight stays with children. I am also very experienced in pet care. I grew up with several cats and dogs, and I am knowledgeable when it comes to all realms of pet care-feeding, walking/exercising, playing, and health care. I have a great resume that I will gladly send along to anyone interested. My class schedule is also quite!
