When your event requires the highest quality of music - not just someone tinkling anonymously in the background - hire a pianist who earns his ENTIRE living performing and teaching. I have performed Beethoven sonatas and Chopin etudes on the concert stage, but have also played the glorious standards of Gershwin, Irving Belin, Cole Porter, Jerome Kern, Harold Arlen, and Richard Rodgers in restaurants, country clubs, hotels, and lounges, in addition to playing for weddings, cocktail hours, fundraisers, private parties, corporate events, and black-tie affairs. You must have a piano at the venue (not a keyboard). \$150/hr. E-mail for samples, reviews, and.
