Ozzy was an owner surrender to the shelter and my oh my did his former owner cry about having to leave him there. Ozzy is a great dog but she couldn't keep him any longer. So now, he is at the shelter and has become a volunteer favorite. It's easy to see why. . .he is a lover! Ozzy is incredibly affectionate with everyone! He is about 2 years old, does well with female dogs and is fine with kids! He could go to a cat savvy home as he lived with cats but does chase them. Ozzy is housebroken and will make a great addition to most families. Oh, let me not forget to mention that he walks very well on the leash! And he is about 55-60 pounds. Ozzy can be transported to an approved adopter. Neutered and up to date on shots. Please contact

for more about Ozzy and an!
