

Miss Lacy For Adoption

Location **Rhode Island**
<https://www.genclassifieds.com/x-261710-z>

Miss Lacy is single, has got loooong legs, loves to strutt her stuff, and loves to snuggle even more. She came into Yonkers Animal Shelter as a stray and has been with us a few short weeks. Her family did come by but were not in a position to keep her. Lacy misses them and misses having a home. She would make a great single pet. She isn't happy to be penned up and sadly at night she sleeps in a cage, not a pen. We would love for her to find her forever home, and so would she!

Lacy will come spayed and up to date on all shots. We think she is about 2 years old. She is lanky and thin and weighs about 50 pounds. She runs like the wind and loves the kiddie pool!

If you are interested in Miss Lacy, please call or text Leslie, our adoption coordinator at Training (for you and Lacy!) is available for those who would like it and we can transport out of.
