Hi my name is sharmayne and I'm in need of childcare for the hours I work. I'm a single mom who works a full time job. I need someone who likes to be around children. I have two children the ages are two and six my daughter is two and my son is six. What I need is someone who can pick my son up from school and take him to daycare. I will drop my daughter off every morning. I will need for you to pick both of them at around five a clock every day and Fridays and Saturdays I will need someone to watch them over night from 11pm to 7 am and I will pick them up. And Sunday I will need them to stay from 2pm to 10pm. This is only threw Wednesday Thursday Friday saturday and sunday. Please give me a call. I will need for you to start next week. Call for more information...
