Hello, I didn't know what to title this post, but if just one person reads this ad, itll be good enough for me. Happy Holidays! This is not an ad to get you to stop the work you do. I would like to make that clear. The group is welcomed to those that are escorting or former escorts.

My hope, idea and purpose of wanting to begin this group is to offer advice, comfort and help to those that want it. Speaking from experience, there's different reasons behind getting into selling yourself. Its not my job to press you to quit at all. That begins with you, but hopefully by coming I can help you in some kind of way. As the title says, this will be a PRIVATE group held in a PRIVATE area and all information will be confidential. If you are interested or know someone that may be interested call or text me (preferably text) if you call and get no answer, leave msg, name and number.

Thank You
