In keeping with Nashville's Music City USA moniker, Wyndham Nashville has a variety of music and entertainment-themed activities including live entertainment at least two times a week. For kids, we host activities like Story Time, basketball and horseshoe tournaments, T-shirt making, crafts, Junk Food Bingo, pool volleyball and more. Teen Nights are also scheduled during summer. Adults will have fun too with makeovers, crafts, BINGO! and our own Couple Connection, a fun version of The Newlywed Game. If you are an early bird, get your heart pumping at our morning indoor pool workout or fitness walk, then reward yourself at our Create Your Own Sundae event.
