Eager to start off the new year with learning how to play the guitar? Look no further! My name is Stephen Ostaszewski and I am a professional guitar player. I've been playing for over 11 years, performing publicly for the last 4 years and have taught for the last 3 years. I got my Bachelor of Music degree from UMass Amherst specializing in Jazz Performance. If jazz isn't your bag, no problem! I'm also available and interested in teaching Bluegrass, Folk, Blues, Rock, Funk, Fusion, Country and Music Theory.
