

## Free basketball goal and post (Hendersonville)

Location **Tennessee**  
<https://www.genclassifieds.com/x-261787-z>

I have a basketball goal and post to give away. We just got a new home and are expanding the driveway. So the post had to go. My son and I gently pulled it over. So it's ready to be picked up.  
The post is black metal, the board is in good shape. It is adjustable. Hoop looked fine.  
The concrete it was set in isn't that that bad, I can help load it in a truck if need be. Or break off the concrete and take the board apart. I can send pics.  
Located in Hendersonville right off the bypass.

If you need one, come grab it.

That's about it.
