Bald CPAs. . .that is how you know they are legit. Like a German mechanic or a . . ."festive" interior decorator. Don't settle for anything but the real thing. (I know - a CPA with a sense of humor...what hath God wrought.)

We are a small office of experienced CPAs with over ten years each experience practicing. We provide accounting, bookkeeping, and tax preparation services at reasonable rates. We can handle the incorporation of and extensively work with many businesses per year, including C-Corporations, Sub-Chapter S Corporations, and LLCs.

Our services include, but are not limited to the following:

## Handling unfiled tax returns

## Setting up installment plans

Assisting in the removal of liens, levies, and garnishments

## Beginning offer and compromise

Helping small businesses start up

## QuickBooks assistance and implementation

## Organizing disorderly books

Our office is located in Minneapolis, MN.
