I have an adorable 6 week old Bullmastiff. She is up to date on dewormer and has had a 2-in-1 from tractor supply. She comes from a litter of 11. Her mother is 110lbs.

She is purebred without papers. She will be a larger dog breed, so I am asking that you have room for her to run and play. She comes with her bowl, food, a leash, her collar and her blankie with a few toys. Please do not contact me if you do not have a yard for her to play in.

We are asking a negotiable fee of \$500. If you are interested in her large kennel we can throw it in for another \$50. Please Let me know if you have any questions. Serious inquiries.
