Stripped Screw Burlesque presents: Hard Love

Make a date with Seattle's Twisted Troupe this Valentine's Day! Stripped Screw Burlesque presents an evening of sultry and comedic burlesque featuring new and favorite acts from the Screws. Our special guest from Portland, Oregon is the "The Pop'n'Lock Princess" Angelique DeVil. Known for her eclectic style of hip hop and neo-burlesque, she is quickly becoming one of the Northwest's most sought after performers and we are thrilled to have her incredible talents at Hard Love! Our saucy entre artists are Mae Kim Beg and Verity Germaine.

You have two chances to get in the Screw'd mood for Valentine's Day this year - 7 PM and 10 PM. VIP tables seat 4 people in the first row with a goodie bag to spoil your friends and lovers!
