thule ski rack. universal fit for small or midsize car. (bothell)

Washington Location https://www.genclassifieds.com/x-261999-z

For sale is my Thule ski rack. It's in great shape. I bought this season off a guy from cl for 200. Selling for 160. Would take 150. This is on my Subaru legacy right now. So any car that size or small it will fit. Text me if.
