

Free Website Design for the right small business

Location **Virginia**
<https://www.genclassifieds.com/x-262012-z>

Need a website designed? I am looking to work with a small business to help them setup a FREE 5-7 page website to use the finished product in my portfolio of work. Nothing too complex. Please let me know if you need a website and what kind of business you have. Thanks.

or by phone. (e-mail or call, no)
