I have an Etsy shop that sells vintage costume jewelry and need someone to take photos that will stand out. Professional and creative. I am adding additional vintage items such as lamps, clocks, kitchen items and will need help with those in the near future.

I can meet with you in a public place and bring some pieces to give you an idea of what I have.

Being a small shop, I am on a budget. Not sure what the cost would be. If you are interested in helping or just starting out in the industry, I would appreciate your assistance.
