Hi!

I'm fun loving, open minded, free spirited Korean female who happens to be amazing at Swedish deep tissue aroma oil massage.

I only offer professional, non sexual massage.  
 Been practicing massage since 2002.

I'm also an online marketer and my American friend in her 50s and I are on a road trip now after we attended marketing conference a few days ago.

While traveling, I am offering my professional massage service.

My housecall massage rate for my regular client is  
 90 min 150 USD (usually 200 USD)  
 120 min 200 USD (250 USD)

There are two options I feel...

1. You can hire me as housecall massage therapist
2. You could pay part cash and part providing accommodation as partial trading or exchange.

After massage, we can hang out. :)

We can get creative trading my relaxing massage with honey, beer, wine, money, etc.

We will travel through Jackson Hole, Colorado, San Francisco etc.

You can check out about me on YouTube.

Happy Jiyong

I'm friendly, good vibe, smart, interesting, internationally well-traveled, well mannered person.
