I'm looking for someone who wants to get off the beaten path. I spend a lot of time in the Pryors and Big Horns walking trails (and making my own, much of the time) made by the wild things. Ridge walking and bushwacking, always looking for that cave noone else has found. Oh yeah, I'm a caver too, being comfortable on rope is a bonus. Mtn biking or roadie, 4 wheeler riding, 4wheeling, snowshoeing and skiing, love to do all of them. Would like to find someone to do them with. If you are up for getting out in the hills, let me!
