Wonderful 800 sq ft. studio cabin with Horse Creek in the back yard; all remodeled and renovated with full kitchen and bath.

Fully furnished, dishes, linens, 2 log beds, washer/dryer, and a great wood burner that keeps the insulated cabin warm even on the coldest nights.

Long or short term, with lease.

\$525. mo. includes town charges for water, trash ect.

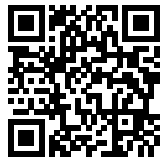

Tenant to assume electric & propane (stove and hot water heater)

Best tenant will be employed, quiet, clean and mature.

It's a really sweet cabin.

email: I will reply only if CABIN is in heading. No scammers.

Any personal information you want to include would be helpful in making a renter decision
thanks a bunch
