

# Rides in the Richmondsurb area (Ric and suburbs)

Location **Virginia**

I am willing to give rides from Henrico west End/Short Pump area to anywhere within in the VA-288 and I-295 circle. I drive a standard 4-door sedan that has huge trunk space and can accommodate up to 4 people comfortably. My rates are very nominal.

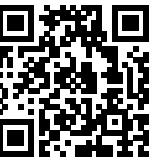

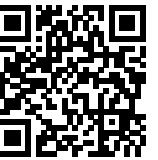

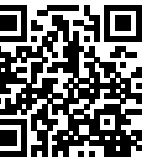

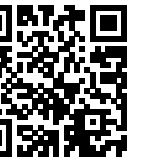

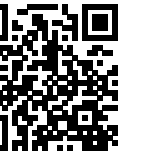

I need to know where you are going and when. I need GPS address from where to pick you up and where to drop you off and what you are bringing.

My car rules are simple. Keep your hands and feet inside the car at all times. No smoking or drinking alcohol. We can have the radio on if you wish but I would like to ride in silent. Need to see a valid photo id upon entering the car, to ensure safety. Will accept cash only.

You can bring as much stuff that will fit in my car without putting me out or destroying my car. No transportation of weapons/firearms/drugs/any illegal stuff for that matter.

Email me with all info. Mailing me with no or partial info will not get you a response. I want name, date & time, destination (with stop-overs if any), payment and any other important info. I am a really relaxed and laid-back person with an easy-going attitude. I can be really easy to get along with. But I can also be super quiet so we do not have to talk unless you want to.

Thank you for reading my post and you have a blessed!!!
