

COLUMBIAN BENCH VISE Large Industrial Vise Made in USA (300 USD)

Location

Arizona

<https://www.genclassifieds.com/x-262167-z>

Works like new. Model #505, jaws are 5 inches wide and it opens to around 7 inches total. This is an old school American made industrial vise, nothing like the junk at Home Depot or Harbor Freight. Heavy duty, this is the real thing.

\$300 very firm
please call or text

six 02-690-2792 thanks. I can load it.
