Need Affordable Healthcare? We have over 2 million members saving billions of dollars each year on their healthcare costs. 3 Packages to choose from:

Dental, Vision, Chiropractic, and Prescription \$19.95 a month.

Dental, Prescription, Tele-Medicine, and Hospital Advocacy only \$29.95 a month.

Dental, Vision, Prescription, Chiropractic, Tele-Medicine, Doctor Office Visits, Hospital Advocacy, Medical Services, Wellness Programs, Hearing, and Podiatry \$49.95 a month.

Our Hospital Advocacy Program is saving our members an average of 86% off of their hospital bills. That's a better savings then most insurance companies offer for a much higher price. Our people are building their retirement incomes rather than paying for over priced Healthcare. You can do the same.

We also provide benefits for many small businesses.
