First of all, I am an older male. So if ur not comfortable nude in front of another guy please dont respond!
I am Seeking male skaters to photograph nude for personal collection. I enjoy male physiques of the skater type; strong butts and legs on a slim body. Pay is hourly. Approximately 1hr max. No porn/sex, although if u do get erect during shoot thats is ok also.
Total nude body shoot but emphasis in butt and legs. It doesnt matter if ur hairy or shaved but slim to athletic build is a must. Not chubby, no gut at..
