Experienced carpenters only.

This is temporary work but could lead to more. I need carpenters to help my lead guy install tongue and groove planks on vaulted ceilings. Work will begin the morning of Saturday February 14 and finish at the end of the day Sunday February 22. Possibility of long days. Dates could change by a day or two. I also have approx 600 lineal feet of 6" MDF baseboard to install the week Tuesday February 10 to Friday February 13.

This work is on payroll basis.

Please reply by email with name and phone number and I will call you.
